

Interface module with PCB pluggable Connectors to Screw Terminals

Part Number: EB-IM1-CT-2x12S

Flexible wire interface module

Offers 24 through wire connections (2 rows x 12)

Allows quick and reliable connections for tear down / re-assembly

Mounts to standard Din 35mm rail (or Din 15 mm "mini" rail)

Technical Data	
Rated Voltage	250V AC
Rated Current	10A
Wire sizes	
PCB plug conn.	24-16 AWG
PCB Terminals	24-14 AWG
Wire strip length	7mm
Tightening Torq.	0.5 Nm
Operating Temp	-30°C to +70°C
Size W x H x D	2 11/16 x 2 3/8 x 3 5/8 inches
