

Featured Products:

 <p>ATEX & corrosion resistant terminal blocks</p>	 <p>Compact DC power supplies</p>	 <p>Specialty – toggle switch terminals</p>	 <p>Line Seiki hour meters / electronic counters</p>
 <p>22 mm push buttons, switches and Disconnects</p>	 <p>ComatReleco Industrial relays</p>	 <p>SMS - Text messaging and alarming</p>	 <p>Woertz flat cable power systems IP20, IP68 and fire resistant</p>

 <p>Programmable relays with high speed counting I/O; SMS modules; MODBUS for HMIs...and more</p>	 <p>Push buttons , contactors, disconnects & stack lights</p>
<p>Bardac drives AC DRIVES, DC DRIVES, MOTORS & CONTROL TECHNOLOGY</p>	 <p>Circuit breakers, push buttons, motor control</p>
 <p>Din rail circuit breakers; GFI breakers</p>	 <p>AC/DC Power supplies</p>
 <p>HMIs, PLCs, Panel PCs, SCADA</p> 	 <p>Terminal blocks, flat cable systems, snap line</p>
 <p>Relays, Timing relays, SMS remote control relay</p>	 <p>Nema boxes; non-metallic, carbon, and stainless steel</p>
 <p>Terminal blocks, distribution block, outlet modules...and more</p>	  <p>Wire Duct; Wire Ferrules</p>

Electrotech Sales Group, LLC

Your source for control panel products

Terminal Blocks

- Corrosion resistant terminal blocks Single level 2.5mm² – 10mm²
- Multi-Level Terminals Twin, two level, Diode terminals, etc.
- Terminal Blocks Single level Feed (ATEX Approved); Micro terminal
- Earth Terminal blocks (Grounding terminals, collector ground block)
- Spring Clamp Terminals
- Distribution Blocks, Collector terminals & Power Blocks
- Fuse Terminal Blocks, CC and midget fuse holders and fuses
- Woertz Stringent Demand Terminals (up to 3/O AWG)
- Miniature Circuit Breakers

Special Function Terminals

- Toggle switch Terminals (on-on, on-off-on, momentary)
- Knife disconnect terminal
- Stud Type terminal, spring loaded terminals, Panel Mount terminals
- Thermocouple terminal blocks

Relays and Optocouplers

- Slim Line Pluggable Relays (24VDC and 115VAC)
- Relay bases 1,2,3, & 4 pole (24VDC and 115VAC)
- Solid State Relays
- Definite purpose Optocouplers (high speed Optocouplers)
- **ComatReleco** Time delay relays, voltage/current monitoring

Pilot Devices and Motor Protection

- 22mm pilot devices (LEDs, Push Buttons, Selector switches & accessories)
- Three Pole Contactors for AC control circuits and DC control circuits)
- and Thermal overload relays
- Motor starters, **DP contactors**

Cable Entry System (Icotek)

Switching Power Supplies (single phase and 3-Phase)

Wire Management Products

- Wire Ferrules (Insulated, Non-insulated, twin) and Tools
- Wire Duct and cable ties

Programmable Relay Boxes (AFB, SR and FAB Series)

Line Seiki - Electronic Counters, Totalizers, Hour meters

120VAC Din rail receptacle

AC and DC Surge protection – for Photovoltaic applications

RJ45 modules

Woertz's Flat Cable Power Bus System

Electrotech Sales Group, LLC (ESG) offers total automation solutions. Partnering with other manufacturers and suppliers that have synergistic products, we offer a wide selection of innovative products for control panels at competitive prices. We can offer these products individually as seen in our catalog or designed into custom assemblies on Din rail.
