SHEELP

...crafted for versatile marking needs

'SHEELP' The Thermal transfer marking system from Elmex Electric offer capability to mark internal & external switchgear components.

The system supports complete range of consumables satisfies every industrial identification need, from marking tags for terminal blocks, cables, push button, equipment and rating plates.

Features:

- Offers both Automatic & Manual marking for bulk as well as limited quantity marking requirements
- Implements 2 ½" Thermal Marking Head for balance marking requirements.
- Implements Cleaning Head that enables system for auto cleaning.
- Single system for printing wide range of consumables.
- Support stand
- Additional Auto Feeder for Terminal Block marking tags.
- Build in supervisory controls for monitoring the health of the system.

Technical Data

Product Category	: Printer
Application Type	: Industrial
Dimensions	: 423 x 240 x 208 mm
System Guidelines	
Typology	: Desktop printer for industrial use
Technology	: Thermal Transfer
Material Feeding	: Automatic & Manual
Print Resolution	: 300 DPI
Print Speed	: Automatic: 25 mm / sec, Plate: 60 mm/sec
Print Area	: L= 496 mm x W = 54 mm
Operating System Compatibility	: Windows 7 Windows 8 Windows 8.1 Windows 10 Windows 11(Under testing – No bugs reported so far)
Display for Supervisory Control Interface	: 16 Columns x 2 Lines Liquid Crystal Display
Power Supply	: Universal Serial Bus
Consumption	: 100 – 240 V AC 50/60 Hz. 46 W (max 135 W)

In-The-Box Supplies

- Marking Software
- Power Cord
- Printing Ribbon Black
- Cleaning Casette
- Automatic Loader
- Automatic support plate for cable tags
- Automatic support plate for Terminal Block Tags
- Manual support plate for cable tags
- Manual support plate for TB tags
- Support Base

Climate Conditions

Ambient Temperature – Service	: 15 ° C to 32.5 ° C
Ambient Temperature – Storage	: 5 ° C to 35 ° C
Storage Conditions	: It is recommended to store the product in its original packaging at room temperature not directly exposed to sunlight and humidity.

Printing Material & Consumables:

Sr. No.	Article Reference	Product Type	Product Sub-category	Description	Suitable For
1	ELTB55 AUT D7555	Printables	Terminal Markers	DTB Marker 5.5 mm	For Terminal Blocks with pitch from 5.5 mm to 8 mm
2	ELTB80 AUT D8580	Printables	Terminal Markers	DTB Marker 8 mm	For Terminal Blocks with pitch from 8 mm to 17 mm
3	ELTB35 MAN D1030	Printables	Terminal Markers	DTB Marker 3.5 mm	For Terminal Blocks with pitch 3.5 mm to 5 mm
4	ELTB50 AUT D1005	Printables	Terminal Markers	DTB Marker 5.0 mm	For Terminal Blocks with pitch 5 mm to 8 mm
5	ELSL202-10-4	Not printable	Sleeves for Cable Markers	Sleeves 10x4	For holding Cable Markers
6	ELSL202-12-4	Not printable	Sleeves for Cable Markers	Sleeves 12x4	For holding Cable Markers
7	ELSL202-15-4	Not printable	Sleeves for Cable Markers	Sleeves 15x4	For holding Cable Markers
8	ELSL202-18-4	Not printable	Sleeves for Cable Markers	Sleeves 18x4	For holding Cable Markers
9	ELSL202-23-4	Not printable	Sleeves for Cable Markers	Sleeves 23x4	For holding Cable Markers
10	ELSL202-30-4	Not printable	Sleeves for Cable Markers	Sleeves 30x4	For holding Cable Markers
11	ELSL204-10-10	Not printable	Sleeves for Cable Markers	Sleeves 10x10	For holding Cable Markers
12	ELSL204-12-10	Not printable	Sleeves for Cable Markers	Sleeves 12x10	For holding Cable Markers
13	ELSL204-15-10	Not printable	Sleeves for Cable Markers	Sleeves 15x10	For holding Cable Markers
14	ELSL204-18-10	Not printable	Sleeves for Cable Markers	Sleeves 18x10	For holding Cable Markers
15	ELSL204-23-10	Not printable	Sleeves for Cable Markers	Sleeves 23x10	For holding Cable Markers
16	ELSL204-30-10	Not printable	Sleeves for Cable Markers	Sleeves 30x10	For holding Cable Markers
17	ELSL206-10-22	Not printable	Sleeves for Cable Markers	Sleeves 10x22	For holding Cable Markers
18	ELSL206-12-22	Not printable	Sleeves for Cable Markers	Sleeves 12x22	For holding Cable Markers
